I throughs right handed

and if I am given a chance
on you team next year.

I am willing to go to spring
training.

The reason I am willing
to leave Chicago and play
with your team, is because

I am playing on stay-
ing in New. I have some
relatives up there and they
want me to stay up there.

I was Chicago regular
first baseman, in 44, and
Pitched and played first
in 45, so by that I believe
I could be of great help to
your team next year.
